

LIPCARE NAKED

LIPCARE NAKED

Pure lip balm – capitalizing on the trend towards unpackaged products! Thanks to its consistency, this handcrafted bar of lip balm does not require any container. Designed as lip balm for use at home, it leaves lips feeling soft and healthy, and has a gentle orange aroma. Available in a folding box with 4c label from just 100 units or more. From 1000 units on also with individual print on the box.

LIPCARE

- Production in Cologne/EU in accordance with cosmetic GMP
- Tested by Institut Fresenius
- Shelf life: 24 months

FORMULA

The lip balm with ingredients from organic farming is a development based on our natural cosmetic formula LipNature. The slightly firmer consistency is due to a high portion of natural beeswax. The characteristic colour comes from sea buckthorn, which contains carotene.
